CRIMINAL ACTION
NO. 04-10345-NMG

STATUS REPORT
July 12, 2005

SWARTWOOD, C.M.J.

The following is a Status Report to Gorton, J. to whom this case is assigned:

1. Discovery

This case involves a great deal of discovery involving voluminous documents and a forensic analysis of information contained on computer hard drives. Counsel for the parties have worked out a procedure for viewing discovery produced by the Government. Additionally, the Government intends to provide Defendants with supplemental discovery and to work out a procedure for the reviewing of that discovery with counsel for the Defendants. Once all of this has been accomplished, the Defendants have requested an extended period within which to review all

discovery produced by the Government with its clients. Therefore, I have granted that request.

2. Further Status Conference

A further status conference shall be held in this case on October 12, 2005, at 2:15 p.m., in Courtroom 1, Fifth Floor, Donohue Federal Building, 595 Main Street, Worcester, Massachusetts.

3. Excludable Time

With the assent of counsel for the parties, I am excluding from the Speedy Trial Act, the period from July 7, 2005 (date of expiration of prior order of excludable time) through October 12, 2005 (date by which the initial phase of discovery should be completed). Therefore, assuming no further order of excludable time under the plan for prompt disposition of criminal cases, this case must be tried on or before Wednesday, December 21, 2005.
